Explanations	

The delivery of the Karsan Autonomous e-ATAK vehicle produced by our company has been made to the city of Arbon in Switzerland.
This delivery is Karsan's first autonomous vehicle delivery to Switzerland and represents an important step in our company's strategy to strengthen its presence in the European market.
We respectfully announce this to the public.
An English translation of this announcement is also provided. In the event of any discrepancies between the two versions, the Turkish version shall prevail.
