<b>Explanations</b>	

Acting with the vision of "One Step Ahead in the Future of Mobility", KARSAN makes the world launch of e-ATA HYDROGEN today at the IAA Transportation Fair held in Hannover, Germany.

Adding its new Hydrogen Fueled vehicle to its Electric and Autonomous product family, our Company continues its efforts with the goal and effort to take electric mobility to another dimension.

Yours faithfully,

The English translation of this disclosure is provided and in case of any discrepancy between the Turkish and the English versions of this disclosure, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in "Material Events Communiqué" of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we're personally liable for the disclosures.
