Announcement Content	
Explanations	

In our PDP announcement dated 14.04.2023, we announced that a distributorship and service agreement covering a 3-year period was signed between our Company and ALTECH, a multinational company based in Japan, for the sale of Karsan E-JEST RHD vehicles with a sales target of approximately EUR 25 million.

Today, our Company has introduced Karsan E-JEST RHD, the first right-hand drive vehicle in our history, at a ceremony held at the Turkish Embassy in Japan, and has started its activities in this market with our distributor ALTECH.

With the vision of "One Step Ahead in the Future of Mobility", KARSAN continues to work with the goal and effort of taking electric mobility to another dimension.

This statement has been translated into English for informational purposes.

In case of a discrepancy between the Turkish and the English versions of this disclosure statement, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in "Material Events Communiqué" of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we're personally liable for the disclosures.
